Friday, November 2 | 7:30-9:30 am

Grand Ballroom

Industry session: Practical Tools for Bundled Payment Success – Will Your Strategy Work?

The US healthcare environment is shifting, and bundled payment initiatives are on the rise. Surgeons and healthcare providers are looking for improved outcomes and increased patient satisfaction.

This session will bring together surgeon thought leaders and experts to cover the shifting healthcare landscape and reasons for change, the various influences on the cost of the episode of care, and the technologies and tools that can assist in driving greater patient satisfaction and better outcomes.
