Essentials of TAYLOR SPATIAL FRAME[◇]
November 2 – 3, 2018

Westin – Buckhead
Atlanta, GA

Course Chairman: Stuart Gold, MD CM

Invited Faculty: James Binski, MD
Joseph Hsu, MD
Bradley Lamm, DPM
Justin Orr, MD
Craig Robbins, MD

Daniel Ruggles, DO
John Scolaro, MD
Donald Stewart, MD
John Wyrick, MD

Course Objective: This course will provide training to the trauma, pediatric and foot and ankle resident on the principles of stable circular frames and frame application using the TAYLOR SPATIAL FRAME External Fixator and www.spatialframe.com. Course participants should leave the course understanding the indications where TSF is a beneficial treatment option, recognize potential complications and risks and be able to map out a pre and post op plan.

For more information please contact your local Smith & Nephew Sales Representative or visit www.orthomeetings.com.

Professional Education courses are Smith & Nephew sponsored (non-CME).

US Government Employees

Attendance by Federal, State or local US Officials requires the authorization and pre-approval of the employing agency.
