

Rocky Mountain International Shoulder Symposium

February 8 – 9, 2019

ATSSL, University of Calgary, 3330 Hospital Drive
NW Calgary AB, Canada

Supporting healthcare
professionals for over 150 years

Ian K. Lo, MD, FRCSC

Associate Professor, Division of Orthopedics, University of Calgary.
Chief of Shoulder & Elbow Surgery

Invited Faculty: Jeff Abrams (USA), Eiji Itoi (JAP), Robert Litchfield (CAN), Tim Leroux (CAN), Kelly MacGroarty (AUS), Rick Ryu (USA), Buddy Savoie (USA), Brendan Sheehan (CAN), Scott Trenhaile (USA), Ivan Wong (CAN)

At the Smith & Nephew Rocky Mountain Shoulder Symposium you can expect to learn advanced & innovative complex shoulder techniques. With a unique approach, we blend expert advice, live surgical demonstrations, interactive debates, and technical hands on training in the bio skills lab focused on the more challenging aspects of arthroscopic repair. Participants will learn advanced techniques to address shoulder instability, difficult rotator cuff tears & improve patient outcomes.

Over the two days, delegates will be immersed in complex shoulder arthroscopy focusing on:

- Anterior Instability
- Glenoid Bone Loss
- Superior Capsular Reconstruction
- Rotator Cuff Repair

Don't miss out...
