

**Knee Continuum of Care
June 13-14, 2019**

Marriott Vail Mountain
715 W Lionshead Circle
Vail, CO 81657

Chairmen: Nirav Amin, MD Jeffrey DeClaire, MD

Sports Medicine Faculty: Scott Faucett, MD, Geoffrey Van Thiel, MD, Armando Vidal, MD

Total Reconstruction Faculty: James Bresch, MD, David Fabi, MD, Bertrand Kaper, MD, Mark Schinsky, MD

Course Objective: Develop skills and knowledge related to treating various knee pathologies along the osteoarthritis continuum. Attendees can expect to hear from leading experts on current trends and techniques in both sports medicine and total reconstruction orthopedic surgery. This will include focused topics on knee sports medicine about ACL reconstruction, meniscal repair, meniscal root repair and biologics that may improve patient outcomes. During our total reconstruction sessions, attendees will hear from experts about the design rationale, techniques, robotics and key concepts from technologies available today may improve patient outcomes.

Focus Products: NOVOSTITCH[®] PRO, ACUFEX[®] TRU-NAV, FAST-FIX[®] 360, PINPOINT[®], COBLATION[®], JOURNEY[®] Uni, ZUK Unicompartmental Knee, JOURNEY PFJ, JOURNEY II TKS, VISIONAIRE[®] Adaptive Guides, NAVIO[®] Robotic Surgery

June 13, 2019

5:00 PM	Welcome / Reception – Get to Know the Faculty	All Attendees
5:45 PM	Welcome and Introduction	Brandon Hentkowski & Chairmen
5:55 PM	<i>Key Note Kickoff: Finding Common Ground and Treating the Continuum</i>	Dr. DeClaire
	Session I: ACL Reconstruction - Working Dinner Served	Moderator: Dr. Van Thiel
6:05 PM	ACL – Graft Selection & Preparation	Dr. Faucett
6:12 PM	ACL – Anatomic Tunnel Placement	Dr. Amin
6:19 PM	ACL Reconstruction - Panel Case Study Review <i>**Moderator: Dr. Van Thiel ** 2 Cases – 16 min</i>	Drs. Amin, Faucett, Vidal

Session II: Meniscal Repair**Moderator: Dr. Amin**

6:35 PM	Save the Meniscus – Radial, Vertical & Horizontal	Dr. Faucett
6:42 PM	Meniscus Root Repairs & Restoring the Biomechanics of the Knee	Dr. Van Thiel
6:49 PM	Meniscal Repair - Panel Case Study Review <i>**Moderator: Dr. Amin ** 2 Cases – 16 min</i>	Drs. Faucett, Van Thiel, Vidal

Session III: Articular Cartilage**Moderator: Dr. Faucett**

7:05 PM	COBLATION Technology to Address Cartilage	Dr. Vidal
7:12 PM	Cartilage Defect & Biologics - Panel Case Study Review <i>**Moderator: Dr. Faucett ** 2 Cases – 16 min</i>	Drs. Amin, Van Thiel, Vidal
7:30 PM	Break	

Session IV: Reconstruction & Outpatient Knees**Moderator: Dr. DeClaire**

7:45 PM	Making Unis Easy with a Fixed Bearing Solution – JOURNEY II UK	Dr. Bresch
7:55 PM	JOURNEY II TKA: Designed to Replicate Normal	Dr. Schinsky
8:05 PM	Modern TKA, Basing Decisions on Solid Evidence	Dr. Amin
8:15 PM	VISIONAIRE Adaptive Guides – Patient Specific Efficiency in the ASC	Dr. Schinsky
8:25 PM	NAVIO Robotic Technique: UNI to TKA Continuum	Dr. Fabi
8:35 PM	Panel Discussion- Case Study Review <i>**Moderator: Dr. DeClaire ** 2 Cases – 20 min</i>	Drs. Amin, Bresch, Fabi, Schinsky
8:55 PM	Outpatient Joints: Balancing Sports & Recon in the ASC	Dr. Van Thiel
9:10 PM	Closing Remarks	Chas Weems
9:15 PM	Adjourn	All Attendees

June 14, 2019

7:30 AM	Breakfast	All Attendees
8:00 AM	Welcome & Day's Objectives	Chas Weems & Dr. DeClaire
	Session V: Sports Medicine Knee Technique	
8:10 AM	ACL & Meniscus: Morning Cases from the Faculty <i>**Moderator: Dr. Amin **3 Cases – 20 min</i>	Drs. Faucett, Van Thiel, Vidal
8:30 AM	Attendee Q & A	
8:40 AM	Change into Scrubs	All Attendees & Faculty
9:00 AM	Sports Medicine Knee Bio-Skills - Lab I	All Attendees & Faculty
	<ul style="list-style-type: none">• COBLATION Techniques• ACL Reconstruction• Meniscus Repair	
	Session VI: ASCs – a Pathway to Grow your Practice	Moderator: Dr. DeClaire
11:20 AM	Working Lunch Served	
11:30 AM	Health Economic Advantages of an ASC and the Continuum	Dr. Van Thiel
11:37 AM	Uni's and Total Knees are Safe in an ASC	Dr. Bresch
11:44 AM	Driving Patient Satisfaction and Outcomes with Enabling Technologies	Dr. Kaper
11:51 AM	Panel Discussion – Let's Break it Down Guys	Faculty
12:10 PM	Break	
	Session VII: Total Reconstruction Technique	
12:30 PM	PFJ – Indications and How to Get the Best Results	Dr. Amin
12:40 PM	Getting it RIGHT Every Time – Fixed Bearing Uni Technique, Tips and Pearls	Dr. Fabi
12:50 PM	TKA Essentials - Key Points to Performing a Total Knee Right	Dr. DeClaire

1:10 PM

Total Reconstruction Bio-Skills - Lab II

All Attendees & Faculty

- JOURNEY Uni and ZUK
- JOURNEY II TKA
- VISIONIARE Adaptive Guides
- NAVIO Robotic Surgery

3:00 PM
