Vail, CO

Srino Bham, MD
Hip Preservation & Groin Center

New York, NY

January 9th – 11th | Vail, CO

Hotel: Vail Marriott

Lab: Vail Marriott & Steadman Philippon Research Institute (SPRI)

At the Smith & Nephew Vail Hip Symposium you can expect to learn advanced & innovative hip arthroscopy techniques. With a unique approach to a traditional meeting we blend expert advice with live surgical cadaver demos, live surgery & hands on training in the bio-skills labs. At the end of the course we hope you walk away from Vail Hip 2020 with new insights to difficult problems. Whether it is complex FAI, labral repairs or hip dysplasia, we have you covered with an diverse line up.

Focus Topics

- + Labral Preservation
- + Capsule Management
