

Advanced Techniques in Hip Labral Reconstruction

May 1st – 2nd, 2020

Hotel: Doubletree DTC

Lab Location: Porter Adventist Hospital Lab

Working Dinner: Glenmoore Restaurant

Learning Objective: Develop knowledge & advanced techniques required to safely perform a hip labrum reconstruction and address femoral acetabular impingement (FAI). Attendees will hear from experts on current trends and techniques in hip arthroscopy with focus topics on pathology visualization, femoral acetabular impingement (FAI), hip labrum reconstruction & capsule closure. Attendees can expect to learn about the design rationale, materials, techniques and key concepts from technologies available today that may improve patient outcomes to include Q FIX^o, COBLATION^o, & DYONICS^o.

Focus Products: CAP FIX^o Blade, Q FIX^o, SUTUREFIX^o, MICRORAPTOR^o, COBLATION^o, DYONICS^o, ACUPASS^o DIRECTS, SPEEDSTITCH^o

Attendee Profile: Sports medicine orthopedic surgeon that performs at least 50 hip arthroscopy surgeries annually with a desire to learn advanced techniques in hip arthroscopy surgery.

Chairman: Brian White MD

Faculty: Brandon Johnson MD

Thursday, April 30th, 2020

Attendees should arrive at the hotel no later than 6:00 PM on April 30th, 2020

Friday, May 1st, 2020

6:45 AM	Shuttle To Porter Adventist Hospital • Meet in Lobby Area @ 6:30 AM	All Attendees
Session I	Hip Labrum Reconstruction	
7:30 AM	Welcome + Breakfast	Brian White, MD
7:45 AM	Surgical Observation – Primary Labral Reconstruction • Moderator: Brandon Johnson, MD	Brian White, MD
11:30 AM	Working Lunch	
11:40 AM	How To Properly Perform A Femoral Chondroplasty	Brian White, MD
	Placing Anchors Around The Acetabulum	Brian White, MD
	Allograft Labral Reconstruction: Rationale Behind	Brian White, MD

Session II **Revision Hip Labrum Reconstruction** **Moderator: Brandon Johnson, MD**

12:45 PM	Surgical Observation - Revision Hip Arthroscopy – Labral Reconstruction • Moderator: Brandon Johnson, MD	Brian White, MD
4:00 PM	How To Incorporate Labral Reconstruction Into Your Practice	Brandon Johnson, MD TBD
4:15 PM	Questions + Technique Discussion	
4:30 PM	Shuttle Back To Hotel	All Attendees

Session III **Complex Hip Case Discussions** **Moderator: Brian White, MD**

6:00 PM	Shuttle To Dinner	All Attendees
6:15 PM	Meet + Ask the Faculty Social	
6:45 PM	Working Dinner – Glenmoore Restaurant	
7:30 PM	Participant Hip Arthroscopy Case Discussions • Attendees encouraged to bring cases for discussion among the group • Computer + Screen Provided	
9:00 PM	Adjourn – Shuttle Back To Hotel	All Attendees

Saturday, May 2nd, 2020

6:45 AM	Shuttle To Porter Adventist Hospital • Meet in Lobby Area @ 6:30 AM • Please check out of hotel and bring your luggage	All Attendees
---------	--	---------------

Session IV **Tips, Tricks & Pearls** **Moderator: Brian White, MD**

7:00 AM	Welcome + Breakfast	
7:15 AM	Pearls, Tips + Tricks To Perfect Your Allograft Labral Reconstruction	Brian White, MD
	Evaluation of Borderline Dysplasia	Brian White, MD
7:50 AM	Questions	
8:00 AM	Change Into Scrubs	
8:10 AM	Bio-Skills Lab – Porter Adventist Lab + Access + Visualization – CAP FIX [◊] Blade, COBLATION [◊] , DYONICS [◊] + Allograft Prep + Anchor Placement – Q FIX [◊] , Q FIX [◊] Mini, MICRORAPTOR [◊] , SUTUREFIX [◊] + Capsule Closure - ACUPASS [◊] DIRECT, SPEEDSTITCH [◊]
